Keynote Speakers

SHERIFF J.B. SMITH

Sheriff J.B. Smith was continuously elected Sheriff of Smith County Texas from 1976-2012. He managed a department of 355 personnel and supervised over 1,000 prisoners. Currently he travels the country entertaining and motivating audiences with his unique stories and experiences. Besides being a former sheriff and being a national speaker, he is a licensed Texas auctioneer and a connoisseur of Texas chili. The Sheriff's philosophy is "Blessed are they who laugh at themselves for they shall never cease to be amused."

SCOTT RIDER

Scott Rider is the national spokesperson for "Disability Insurance Awareness Month" and has quite a story to tell. A former financial advisor, Scott was diagnosed with Parkinson's at just 47. Thankfully, Scott had the safety net of disability insurance, which allowed his family to maintain the lifestyle they've always known. Rider says he has been able to maintain a decent quality of life because he bought disability insurance when he was starting out in his career.
